

Our beers are locally brewed in Newcastle from our 2 favourite brewers MODUS & Shout Brewing Co.

MODUS BEER 375ML CANS \$10

SILENT KNIGHT PORTER | Decadently dark, our award winning Porter has 9 malts forming a blend of chocolate, roast and caramel whilst finishing on the light and dry side. Your best distraction around a camp fire while your mate pretends he knows how to play a guitar.

XPA | It's Tropical, it's low cal & it's local – It's Tropi-lo-cal.

The newest kid on the Modus block, this XPA is winning tropical, easy drinking tastebuds across the country.

LOST IN THE FOG IPA | If there was a weather forecast for this beer it would be this...pillowy soft clouds of tropical haze and a frequent downpour from your favourite hop fruitbowl. Better get a Stackhat!

CERVEZA | it's MEXICAN* for beer. (*Technically Spanish).

CLASSIC. CRISP. BEER. Inspired by coastal Mexico, freshly brewed on this side of the Pacific. Casually crafted with high quality and traditional Mexican ingredients. Frosty, light bodied with a crisp citrus finish. Serve with a fresh lime wedge.

SHOUT BREWING CO. ON TAP \$12

MULLET PALE ALE A beer that straddles the line of approachability for the less craft beer-inclined yet enough substance to satisfy those with a craftier palate. The Mullet pale ale pours a pale amber colour which hints at its malty base. This subtle malt background is the perfect platform for the Citra hops to shine through which contribute a restrained but ever-present bouquet of citrus and tropical fruits.

Our good friends at The Koutetsu in Newcastle helped us create our signature cocktails – perfect for anytime of the day!
